MEMORANDUM FOR THE RECORD

SUBJECT: State Department Request for Model 1 Incinerator

25X1

1. On the 25th of July [] Chief, Physical Security Division, informed me that an urgent request had been received last week from the State Department for an Air-Fed Incinerator, Model 1 Type, for use in the American Embassy []

25X1

2. Physical Security has asked that State Department make this request by memorandum rather than verbally. They have also presented the Department with the power and space requirements for this unit. State Department has now cabled this information [] and as soon as an answer is received the information will be passed along to us. Apparently the urgency is off, but the need is still valid.

25X1

3. Four of these incinerators are presently being fabricated by the [] They are expected to be completed around the middle of August.
